

## Product data sheet

# 708 206 3

## Insulation stripper for special applications

Tool for 1, 2 and 4-core POF-cables

- Special tool with length stop, for high-quality, non-destructive stripping and de-sheathing of all electrical single- and multi-core cables
- Tool use does not depend on the strength of the insulating material
- No crushing or deformation to cable ends, thanks to patented stripping method
- High-precision shaped blades matched to the respective conductor cross-section
- Special, customer-specific models possible
- Stripping blades move back automatically into the initial position
- Black oxide tool, with ergonomic 2C grips

### General

|                     |                   |
|---------------------|-------------------|
| Article Number      | 708 206 3         |
| EAN                 | 4049002012181     |
| Weight              | 500 g             |
| Dimension           | 200 mm            |
| Dimension packaging | 250 x 125 x 55 mm |

### Specifications

|                  |   |
|------------------|---|
| Stripping        | Ø 2.2 mm                                  |
| Strip dimensions | Ø 1.5 mm / Ø 2.5 mm / Ø 4.8 mm / Ø 5.8 mm |

### Classification

|                |            |
|----------------|------------|
| eCl@ss 10.1    | ACD179012  |
| ETIM 7.0       | EC000163   |
| proficl@ss 7.0 | AAA000c004 |
