

## Product data sheet

# 708 220 3

## Insulation stripper for special applications

Tool for Control Wire, Shielded, Outer and Inner Cable

- Special tool with length stop, for high-quality, non-destructive stripping and de-sheathing of all electrical single- and multi-core cables
- Tool use does not depend on the strength of the insulating material
- No crushing or deformation to cable ends, thanks to patented stripping method
- High-precision shaped blades matched to the respective conductor cross-section
- Special, customer-specific models possible
- Stripping blades move back automatically into the initial position
- Black oxide tool, with ergonomic 2C grips

| General          |                                |
